Father's Day Raffle

Dear Year 6 Parents

The Father's Day Raffle is one of the two fundraisers that raise money for your child's Dinner Dance at the end of the year. In order to raise a sufficient amount of money we need prizes from a variety of shops and services.

I am writing to ask if any Year 6 parents have connections to stores or services that could donate prizes to the raffle. You may not have connections but still wish to scout donations or donate a gift yourself. Prizes can include car wash services, cinema tickets, meal vouchers etc.

I have a note that can be distributed to store managers if the managers would like written information. Please ask your child to collect a note from me.

It is important the prizes are sent to the school straight away for storing.

Thank you for your support

Simone Farago
