## CAPTIVATE PROGRAM

Dear Year 5 and year 6 Parents

This year all Year 5 and Year 6 students have the amazing opportunity to be involved in the CAPTIVATE program.

CAPTIVATE is an exciting music, drama and choir program that cumulates in a combined schools performance night in September.

Every second Thursday two very talented teachers from a3 come to our school and teach the children all the required songs and movements for this special performance night. The program also involves many other aspects of performance art, music and drama. I will be continuing the lessons and rehearsals on the other Thursdays.

Olivia and Maddie, our two a3 teachers, have already visited the children once this term and we had a fantastic time. Both Olivia and Maddie commented on how well behaved, enthusiastic and talented our children were, which of course is no surprise to us.

We are very excited about being involved in CAPTIVATE this year, as developing performance skills enhances our abilities to become more confident participators across a variety situations.

I will keep you regularly informed of all requirements as they come to notice. Please ask your children to tell you what they have being doing in each of the upcoming lessons, maybe they can even teach you some new songs and movements.

Please feel free to ask any questions and I will get all details to you as soon as possible.

Looking forward to a fantastic year of CAPTIVATE
