

kNOW waste™

Primary School Education Program

Dear Parents and Guardians,

Today your child participated in a lesson called **Binwise** which is part of the **kNOW Waste™** Education Program, delivered by Cleanaway on behalf of the City of Parramatta.

The **kNOW Waste™** Education Program is aimed at teaching children about sustainable waste management practices. It is hoped that children who participate in the program also share their learning experiences with their family, relatives and friends.

The **Binwise** module focused on the different materials that can be recycled through the Recycling (yellow-lidded) bin.

We discussed:

- how our waste is collected
- what happens to our garbage and recycling
- how we can Reduce, Reuse and Recycle much of our waste

Understanding your local waste service is an essential way to:

- reduce the amount of waste going to our landfills
- conserve precious natural resources
- ensure a cleaner, greener environment for us and future generations.

A guide to The City of Parramatta's Recycling and Garden Organics services:

If you have any enquiries regarding Council's Waste and Recycling Services contact the Waste Hotline on (02) 9806 5544. For further information on the **kNOW Waste™** Education Program, contact Emma Tang on 9671 9639 or email emma.tang@cleanaway.com.au.

Sincerely,

Emma Tang
Education Officer
Cleanaway

Join the Compost Revolution

AND CUT YOUR RUBBISH IN HALF!

Composting at home is easy to do and avoids transporting food scraps to landfill where they produce harmful greenhouse gases as they break down. By joining the Compost Revolution you will be able to recycle your food scraps, reduce your environmental footprint and make rich fertiliser for your garden.

As part of the Compost Revolution, the Parramatta City Council is offering local residents a **50% discount on compost bins or worm farms** plus **FREE** delivery. For further information or to join the compost revolution, visit **www.compostrevolution.com.au** or to speak to the waste education officer on **02 98065532**.

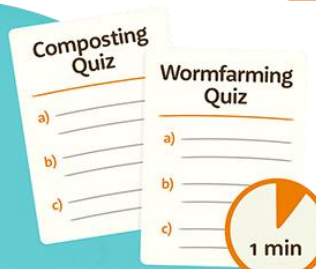

1 – Do the tutorial

Learn all you need to know about composting or farming in under 15 minutes

2 – Take the quiz

Test your knowledge by taking a quick quiz

3 – Claim your offer

Purchase your discounted compost bin or worm farm.
