Dear Year Four Parents

A very warm welcome back to our Year Four Parents! We are looking forward to another successful year as we work together to help your child experience positive outcomes both socially and academically.

This is just an introductory note clarifying a few things. Shortly we will meet as a group at the Parent Information Evening where we will discuss things in more detail. The table below outlines our weekly activities.

### **HOMEWORK CASES**

Soon your child will bring home a clear case with a zipper, which they are required to take home and bring back to school every day. This homework case will contain any notes sent home from school so please check and discard on a regular basis. You may also place any notes or payments in this case that your child is required to bring to school and give to us in the morning. It will also be used to transport your child's reading group book, headlining book and homework stencils so these items remain in good condition.

### **CONTACTING YOUR CHILD'S BOOKS**

This Friday your child will be taking home a number of books to cover in their choice of contact. (Please label the front, and maybe the back, of each book with your child's name and the subject.) **PLEASE RETURN THESE BOOKS TO SCHOOL BY MONDAY 5<sup>th</sup> FEBRUARY**. The children have started using these books and therefore need to have them back at school on Monday. If you are unable to cover them over the weekend, please return them anyway and you can take them home the following weekend.

## **HOMEWORK**

The children will receive their first homework stencil this Friday 2<sup>nd</sup> February. This year your child will receive their homework on Fridays and will return it for marking on Thursdays. We are doing this to accommodate those children who have busy after school schedules during the week and may prefer to get ahead with their homework over the weekend. Your child should complete their homework at a time that works for you and your child. We will clarify any concerns regarding homework at the Parent Information Evening.

## **PARENT QUESTIONNAIRE**

Today we are also sending home a new parent questionnaire for you to fill in. The more we know about your child, the better we can assist in his or her academic and social development. *This will remain confidential.* Please return this form to us as soon as possible.

Finally, if you have any concerns at all, no matter how insignificant they may seem, please don't hesitate to contact one of us and make an appointment or ring or write a note. The sooner we are aware of an issue, the sooner we can work towards resolving the matter.

Thank you for your support. We are looking forward to another exciting year with your children!

Miss Steph & Miss Carly
